Getting ready to open

AND HERE WE ARE, LEAVING JACK AND WALTER AND THE CASA AMOR ADVENTURE! IT HAD TO HAPPEN...

Words: ELAINE JOYCE

WE STARTED following the intrepid twosome in August 2021 and you loved the story of Casa Amor with its ups and downs, good and bad surprises, delays, stress (a lot of stress), and then the excitement of an upcoming opening, the first reservations, the first Yoga and well-being retreats, and finally... the decoration. The light at the end of the tunnel is starting to shine bright with Casa Amor opening this month, on 20 March.

The new team joined Jack and Walter at the end of February: Justina, François, Eunice, Anna, Sangita and Pedro were the first to arrive, chosen for their enthusiasm and their desire to make the project grow and be part of its story.

On the eve of the completion of this issue, Jack and Walter sent us the latest photos which we are sharing with you. Long live Casa Amor. 🍷

*The finishing touches are coming together,
slowly but surely and ever-so-beautifully.
Guests are already looking forward to a
wonderful stay surrounded by favourite things*
